Dear Clinton:

I have read with much interest the account of the Class Re-union. I was intending to be present, if possible, but the movers decided to transfer my belongings on that day.

Joe T. Cashman lives at The Riviera, Riverside & 156th Street, New York. His business address, a short time ago, was 220 West 42nd Street.

Trusting that this information will help you to get in touch with him, I am,

Very truly yours,
